

COMMUNITY GARDENING MASTERCLASS

with Chris Collins

Saturday, 28 May 2016 2-4pm

We're learning to create a greener community together! Camden Council and Project Dirt invite you to join this interactive workshop hosted by former Blue Peter Gardener, Chris Collins, who will share tips about successful gardening and growing food.

Get involved in greening your local community!

 Seed sowing demos

 Importance of soils & composting

 How to irrigate

 Create an edible hanging basket

Limited places available.
For queries, get in touch:
camdeninbloom@projectdirt.com

Tickets are Free, but registration is required.
